

粥霸天下，香飄萬家

使用砂煲烹调，即能保持食物的原汁原味，又不会破坏食材的营养成分。砂锅的保温性能极佳，在离火后，还能在一段时间内继续保持热度，能极好的保留住食物的风味。

At A-One Claypot House, we believe that food should be consumed at the right temperature. Hence, we have adopted the most traditional claypot-cooking techniques to maintain the richness and exquisite flavours of the ingredients used, and keep the dish at the optimal warmth for your consumption.
